Voice

Piano

And an oth-er one bites the dust...
And I will stay up through the night...

Oh why can I not con-quer love?
And let's be clear, won't close my eyes

And I might have thought that we were one
And I know that I can sur-vive

Something went wrong with your unstable network connection or outdated browser? I would certainly recommend it. It's great because it's the real piano arrangement without the piano playing the vocal part. It's very easy to learn, since the chords are very repetitive, but it still sounds great. The duration of the song is 04:10. Did you find this comment helpful? The piano part is well written and beautiful to listen to. BEL76A Piano: Intermediate / General Teacher: Difficulty: Quality of Arrangement: Accuracy: 3.9.2016 12:07:55 PM Beautiful version This is such a beautiful version of the popular hit.
